Countdown to Kindergarten Play to Learn playgroups bring together parents, children and an early childhood professional to build a community of peers for support, to foster nurturing behaviors, help families access needed services, and model developmentally appropriate practice.

Each family attends a two hour once a week playgroup. Call for scheduled times.

Whether you're an experienced Mom of three, a new Dad, or a grandparent looking to do something fun with your grandchildren, you'll find playgroup to be a rewarding experience.

Children's Hospital Boston

The Playgroup project is a collaboration among Countdown to Kindergarten and the Boston Public Schools, with funding from the Boston Public Schools, Boston Children's Hospital, Harriet B. Bayley Trust, and the Linde Family Foundation.
